

Assembly

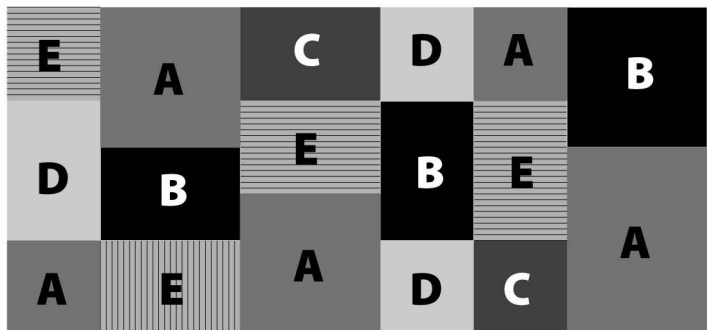

Using $\frac{1}{4}$ " seam allowance throughout, assemble each of the blocks in groups according to the diagram on left. Note stripe direction for proper placement.

Press fabrics towards the darkest fabrics.

Join each group together following the diagram below.

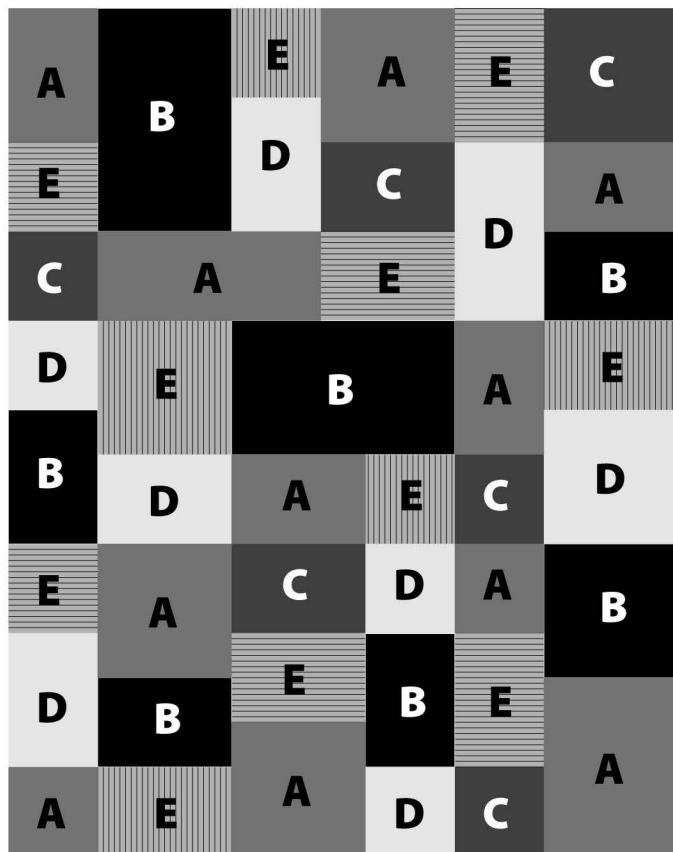

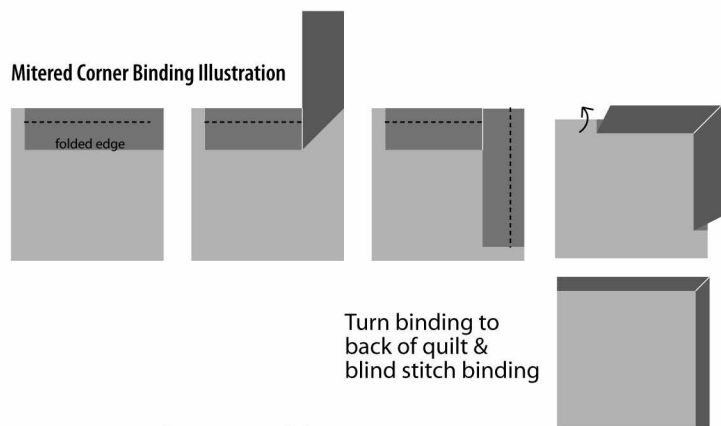

Sew four sets of inner border strips together. Measure quilt from top to bottom at middle. Cut inner side borders to this measurement. Attach to sides, press towards border. Measure quilt from left side to right side at middle. Cut top and bottom borders to this measurement. Press towards inner border.

Sew four sets of outer border strips together. Measure and attach borders in the same manner as inner borders.

Quilt as desired.

Sew binding strips into one long strip. Press in half lengthwise wrong sides together. Align raw edge of binding to raw edge of quilt. Sew binding to front of quilt using miter edge technique at corners. Hand sew binding to the back of the quilt.

Enjoy! Susan Rooney
